

# BETTER BATTER'S FINANCIAL AID PROGRAM WE'RE HERE FOR YOU.

Better Batter's gluten free products are the product of a family just like yours.

We believe everyone should have the ability to eat healthy, enjoyable food, but gluten free foods are not always affordable. That's why you can apply for our special pricing if you belong to a household dealing with limited income, autism, college tuition, or with extraordinary circumstances. We're also proud to support all active military troops and veterans!\*

With Better Batter products, you can live without and not be missing out.
